The Horror Novelettes Mashed In One Sumptuous Buffet! Boogeymany brings together the first three novelettes in the Boogeymen series for your horror and delight. Boogeymen features the legends of movie horror together in a no-holds barred, madcap, battle royale to determine who is the ultimate slasher.

Boogeymen 2: Creature Feature brings five strangers trying to escape maniacs stranded in the basement of a haunted Blockbuster where an ancient spirit forces them to choose their fates from a pile of unlabeled videotapes. And Boogeymen 3: Mischief Night, in the grand tradition of the third installment having nothing to do with the first two offerings, pits five teenagers wearing haunted Halloween masks against their small town community. Together in print form so you can rub it all over your face and bathe in the blood of a thousand paper cuts! Or, you know, reading is fun, too.
