"Get out of my kitchen."

Those are the words that shattered my dreams of becoming head chef at a prestigious restaurant. I'd been so certain I'd make the final cut of the reality cooking show Kitchen Tyrant, but one lackluster lamb dish and celebrity chef Callum Bryant sent me packing.

But there's more than one way heat things up in the kitchen, and when Chef Bryant finds me sobbing after hours at the studio, I get my chance to convince him to give me a private lesson. He reluctantly agrees, making me think the handsome Australian chef and my long-time crush might actually have a heart buried beneath his gruff exterior. Then again, it could be the fact that I'm interested in more than just cooking techniques that convinces him to lend me an apron.

One thing is certain, when the man known as Bryant the Tyrant takes charge in the kitchen, he delivers a sinfully scorching lesson - one that might just change my life forever.

Join Cheyenne in author Erika Aytuzi's world where **strong women** meet **hot men** who are **good guys by day and bad boys by night**. Each **standalone steamy romance** is approximately 25,000 words long. They are meant for mature audiences as they contain spanking, light BDSM themes, no cheating, HEA endings, and other M/F fun. Stories can be read in any order. **If you like one, you'll like them all!**
