## El Diario De Frida Kahlo: Un Intimo Autorretrato VARIOS AUTORES

Publicado por primera vez en su totalidad, el Diario ilustrado de Frida Kahlo refleja los últimos diez años de una vida turbulenta este documento, a veces apasionado, otras sorprendente e íntimo, custodiado bajo llave durante aproximadamente cuarenta años, revela nuevos rasgos de la compleja personalidad de esta destacada artista mexicana. El diario de 170 páginas, abarca el período que va desde 1944 a 1954 recoge los pensamientos, poemas y sueños de Frida, al tiempo que pone de manifiesto la tormentosa relación que mantuvo con Diego Rivera, quien fue su marido y el pintor más famoso de México. Las setenta acuarelas - expresivos esbozos, numerosos autorretratos de gran elegancia y algunos cuadros terminados- proporcionan distintas visiones del proceso creativo de la artista y, al mismo tiempo, muestran con qué frecuencia esta acudía a su diario para desarrollar las ideas que posteriormente plasmaría en sus lienzos.
