A Brush with the Moon (Foxblood Series Book 1) Raquel Lyon

One moment is all it takes to change your life. For Sophie, it happened the day the fox attacked her.

All Sophie ever wanted was a way out. Only a few weeks ago, she was a quiet art student with an overbearing mother and no higher dream than starting university and reuniting with her BFF, but destiny intervenes in the form of a fox bite.

If being attacked by a rabid animal isn't freaky enough, her new town has secrets. People are dying, and Sophie feels she is being watched. Then there's the arrogant and annoyingly sexy Sebastian with his plummy accent and come-to-bed eyes creeping her out. She should stay well away, but then he does live in the spooky manor house, and curiosity is her middle name.

This book uses British spellings and contains language and sexual situations not recommended to be read by those under sixteen.

Book one in the series.
