## **Angel Fire East (Pre-Shannara: Word and Void Book 3)** Terry Brooks

As a Knight of the Word, John Ross has struggled against the dark forces of the Void and his minions for twenty-five years. The grim future he dreams each night-- a world reduced to blood and ashes--will come true, unless he can stop them now, in the present.

The birth of a gypsy morph, a rare and dangerous creature that could be an invaluable weapon in his fight against the Void, brings John Ross and Nest Freemark together again. Twice before, with the fate of the world hanging in the balance, the lives of Ross and Nest have intersected. Together, they have prevailed. But now they will face an ancient evil beyond anything they have ever encountered, a demon of ruthless intelligence and feral cunning. As a firestorm of evil erupts, threatening to consume lives and shatter dreams, they have but a single chance to solve the mystery of the Gypsy morph--and their own profound connection.
