You've seen your friends do it. You've heard celebrities--Julia Roberts and Amanda Seyfried--gush about it. You know that it's fun and incredibly addictive. What is it? Knitting, of course! Have you ever wanted to learn how to knit? Knitting for beginners can seem intimidating at first, but with the right free beginner knitting patterns, anyone can learn how to knit. We know there are a lot of articles out there showing you the right way to get started knitting. For your convenience, we've put together a group of simple tutorials and free knitting patterns for beginners to make your learning experience less stressful. With our free eBook, *How to Knit for Beginners: 9 Free Tutorials*, you'll find tons of great patterns, tips, and step-by-step instructions that will make picking up knitting a breeze. Knitting for beginners doesn't have to be complicated, especially when you have the right tutorials at your disposal! With just a little time and practice, you'll be knitting like a pro in no time at all--there's really nothing to fear. Are you still a little nervous about trying to knit? Let's break it down a little. Did you know that there are only two stitches you need to know: the knit stitch and the purl stitch? All the other special stitches are created from variations of those two stitches. Isn't that great news? Once you know how to knit and how to purl, you just need to practice with a few easy beginner knitting projects until the motion becomes natural.
