### **FIRE TABLET & TV XBMC KODI USER GUIDE**

This multi purpose guide provides a specially written, step by step, beginner's user guide for Amazon's current range of Fire tablets - HD 6, HD 7, HDX 7, & HDX 8.9, access to Amazon's own complete Fire TV & Fire TV Stick user guide, plus installation and background information on XBMC Kodi free software.

The Preview in the LOOK INSIDE feature provides extracts from throughout the guide, not just the beginning, to give you a better idea of the contents.

### **AMAZON FIRE TABLET BEGINNER'S USER GUIDE.**

A Fire tablet user guide is included suitable for Seniors & Beginners. The guide is aimed at readers who have never operated any Fire device previously, and is styled on my existing guide- Android User Guide, which sold almost 1500 copies through only two outlets in the last year with an almost 100% feedback.

Feedback included words such as- a lifesaver, worth every penny, just right for beginners, well written, and clear instructions.

### **AMAZON FIRE TV / FIRE TV STICK USER GUIDE**

A web page link is provided to Amazon's own complete 90 page downloadable Fire TV User Guide which also covers Amazon's Fire TV stick.

### **XBMC KODI**

This free Kodi software provides users with the option to cancel their satellite or cable TV subscriptions and save money, by installing 2800+ free movie and TV addons. This guide covers installing Kodi on Amazon's two Fire TV models and Amazon's current range of Fire tablets, plus installation on Android, Windows, Linux, Apple, & Raspberry Pi devices. The guide provides detailed step by step installation instructions, together with how to access more than 1200 pages of online content and forums. The merits of jailbreaking Apple devices are also discussed and links are provided to jailbreak software.

The guide deals with how to install Kodi in the minimum amount of time, which of the seven download sites to use and to avoid, how to circumvent blocked channels, where to get help, and how to handle adult content. The guide is regularly updated so that it is current.

## ABOUT THE AUTHOR

Having retired over 2 years ago, after 30 years in export sales, marketing and IT, I looked around for something to fill in my time. I love technology and having owned countless unbranded Android smart phones, tablets and Android TV units, I felt there was a need for beginners' user guides, so I wrote this. I do hope that you will consider purchasing it. Thanks.
