**America in the Gilded Age: Third Edition** Sean Dennis Cashman

When the first edition of *America in the Gilded Age* was published in 1984, it soon acquired the status of a classic, and was widely acknowledged as the first comprehensive account of the latter half of the nineteenth century to appear in many years. Sean Dennis Cashman traces the political and social saga of America as it passed through the momentous transformation of the Industrial Revolution and the settlement of the West. Revised and extended chapters focusing on immigration, labor, the great cities, and the American Renaissance are accompanied by a wealth of augmented and enhanced illustrations, many new to this addition.
