Have you ever woken with the feeling that the dream you've just had really meant something – but not been sure of the meanings behind the strange images in the dream? If so, this book is for you!

Taking a “behind the scenes” look at dreams, this book will take you through all the basics of dream interpretation. From the dreams you should ignore to the dreams that matter, along with the most common signs or symbols found in many of our dreams.

The book draws on centuries of dream interpretation and meaning and explores the ways in which our dreams relate to our fundamental needs and desires. While our dreams are often “cluttered” with signs and symbols that are very unique to us, some have symbols and meanings that can be placed in a wider, human context.

The book focuses on meanings that have been used for many generations but also looks at these in context of the modern world. With this book at your side, you should be able to easily begin to unfold the mysteries and puzzles that that your unconscious mind creates each night.

Here Is A Preview Of What You'll Learn...

The “rules” of dream interpretation
The meanings of common dreams and dream symbols
