Emergencies in Children's and Young People's Nursing E. A Glasper, Gill McEwing, Jim Richardson

This book is a survival guide for all nurses who provide emergency care to children and young people. It helps those nurses who are at the front-line of care to quickly assess the level of emergency and plan the initial management. The consistent layout and the note-style format allows them to find and take in information quickly, whilst on the ward. Written by nurses, for nurses, this quick-reference book contains the most important information nurses need to know when caring for children and young people.
