None Dare Call It Treason Book 15: The Anti-American United Nations! Robert W. Pelton

The United Nations is no more than a Marxist-Leninist propaganda machine! It's a subversive international organization conceived by Communists, designed by Communists, staffed by Communists and permanently under the control of Communists! It was all planned that way from the very beginning! Arkady N. Shevchenko defected to the United States in April, 1978. This Russian was Undersecretary for Political and Security Council Affairs at the UN. He charged: "Soviet intelligence officers have become a Trojan horse behind the wall of the United Nations. "New York City is the most important base of all Soviet intelligence operations in the world!" "There has never been any doubt about the United Nations importance as a global beehive of Soviet agents" suggested Hilaire duBerrier. The UN was headquartered in the United States because Communist Occupied Russia insisted it be placed on American soil! It operates solely to further the objectives and to achieve the goals of Communists and Communism! The public record speaks for itself! Communist espionage agent Alger Hiss was the darling of Roosevelt's and the Washington "liberals." He moved with ease from Agriculture to Justice to State. Radical leftist Dean Acheson was the Assistant Secretary of State under Stettinius. On May 1, 1944 he placed Alger Hiss in charge of the Office of Special Political Affairs. Hiss was to develop and coordinate all policy concerning the United Nations. This important Kremlin spy and his subversive underlings wrote all the crucial briefs used to guide each facet of U.S. policy! These papers were used by every American who attended the UN parleys! The Hiss group also recruited and placed members of the U.S. delegation to the UN! And they selected all the personnel who served on the staff of the U.S. Representative to the UN! Alger Hiss was exposed as a Kremlin spy and left the State Department in 1947. Subversive Dean Rusk took his job as Director of the Office of Special Political Affairs. Hiss had used his position to place Communist agents in high paying UN jobs! Dean Rusk continued this treasonous policy, until it was finally brought to light by a Senate Internal Security Subcommittee investigation. To say the least, many Communists were placed in influential positions at the UN, thanks to subversives like Hiss and Rusk. Let's take a look at the 17 Americans who were responsible for planning and directing policy leading to the creation of the United Nations! They were: William H. Taylor David Weintraub Dean Acheson Victor Perlo Solomon Adler Alger Hiss Laurence Duggan Harold Glasser Virginius Frank Coe Noel Field Harry Dexter White Irving Kaplan William L. Ullman John Carter Vincent Abraham George Silverman Nathan Gregory Silvermaster With the sole exception of shadowy far-leftist Dean Acheson each of these men was identified as a Soviet espionage agent!
