Teamster Power

Farrell Dobbs

Teamster Power Farrell Dobbs

The second of four books on the 1930s strikes, organizing drives, and political campaigns that transformed the Teamsters union in Minnesota and much of the Midwest into a fighting industrial union movement.

Written by a leader of the communist movement in the U.S. and organizer of the Teamsters union during the rise of the CIO. Indispensable tools for advancing revolutionary politics, organization, and effective trade unionism.

Teamster Power describes the growth and consolidation of the Teamsters union in Minneapolis and its class-struggle leadership, and the 11-state over-the-road organizing campaign that brought union power for the first time to much of the Midwest.

Two 12-page photo sections and other photos, map, index
