America's Rite: Volume II Dean Crist

In America's Rite Vol. II, Marty Rite pursues his quest for insight into the riddles which ensnare American society, and his Shahrasade-like research takes the reader into various levels of the American Justice System, the American Educational System, and through his old CIA handler, Marty learns how the American Political System has adversely affected America's Intelligence Agencies. During the course of America's Rite Vol. II, Marty is repeatedly the beneficiary of Kathleen's beautiful escorts, manages to stumble onto a mother-lode of insight and information at a high level California think tank, and inadvertently gains insight into the seamy underside of prostitution - the ugly reality of child prostitution. However, the most important aspect of America's Rite Vol. II is: The America's Rite Manifesto. The solutions proposed in The America's Rite Manifesto are guaranteed to provoke reactions from all levels of American Society -- and stimulate discussions for generations to come.
