In postmodern society, truth no longer exists in any objective or absolute sense. At best, truth is considered relative. At worst, it's a matter of human convention. But, as Os Guinness points out in this book, truth is a vital requirement for freedom and a good life.

*Time for Truth* urges readers to seek the truth, speak the truth, and live the truth. Guinness shows that becoming free and truthful people is the deepest secret of integrity and the highest form of taking responsibility for ourselves and our lives. Now in paperback, this engaging book will interest Os Guinness fans, thoughtful readers, and those concerned with moral, political, and cultural issues.
