HORROR IS BEST WRITTEN IN THE DARK. Thirteen tales of original terror penned in the dead of the night with only the glow of a computer for light. The collection of short stories runs the gamut of horror. Within its bloody pages you will find a slasher clown, a blood red church, a little girl locked in a closet, a haunted sex doll, etc. 13 Nightmares is a fine collection of terror for the short story lover, but be warned. Some of these stores are not for the faint of heart. Do you dare enter a world where the supernatural, the macabre, and the horrific collide?
