Businessman Wayne Johnson's life was perfect. He had a beautiful wife, baby on the way, large house and a very successful trucking company. Life couldn't get better than that. But after one big night on the town to celebrate his wife's pregnancy, his whole life is thrown into chaos. Wayne finds his wife's hacked body in the kitchen of their home and all signs point to him being the murderer.

Surely no one could get that drunk, come home murder their beloved wife and not remember a thing the next day?

Wayne needs to find the truth and fast.

Sheriff Matt Mackenzie, ex New York City Detective, rough, tough and street smart, moves to a small country town down in Georgia so he could ease his way into retirement. Surely in such a quiet town all he would need to do is deal with a few thefts here and there.

Early one autumn morning, the normal sleepy town is gripped by the gruesome murder of a local businessman's wife, Dolores Johnson, who is hacked to pieces in their family home. All evidence points to the husband, Wayne Johnson, who is now the prime suspect and wanted for questioning.

The more Sheriff Mackenzie searches for the missing husband, the higher the body count becomes. Has the normally quiet businessman suddenly turned into a serial killer or is there something more sinister going on?
