## **Copybook Cursive: Scripture & Poems (New American Cursive) Leigh Lowe**

This newest copybook in our series is the same Scripture and poetry that is in our original *Copybook III*, but we have put it into the New American Cursive font for those students who are writing in cursive and need reinforcement. We have also bound this book at the top so binding isn't in the way of the student's hand.

The *Copybook Series* by Leigh & Cheryl Lowe includes three manuscript books, each with more than 35 passages, for beginning writers in Kindergarten-2nd grade. The first book starts with slightly larger margins that decrease over the three years. Students begin tracing, then move to copying directly under modeled words. Eventually students are asked to copy passages from the left page onto the right page. Emphasizing care and accuracy, students learn how to be patient and take pleasure in getting it right.
