In post-apocalyptic London Jennifer and Ben, are shell-shocked and adrift in search of a way to help their young family survive. Jennifer finds solace and much-needed help from their big black good-hearted neighbor who is able to offer a solution to her troubles.

It is definitely unusual and might even prove to be unacceptable to her husband, but Jennifer has little choice in the matter when it comes to finding a way for her young daughter to survive.

Hopefully, Ben will not find out how suggestible his petite engorged wife turns out to be.

This erotic story is Part 2 of the Milked in London series but can be enjoyed on its own.
