Pediatric Nurse Practitioner Certification Review Guide: Primary Care

JoAnne Silbert-Flagg, Elizabeth D. Sloan

Pediatric Nurse Practitioner Certification Review Guide: Primary Care JoAnne Silbert-Flagg, Elizabeth D. Sloan

Pediatric Nurse Practitioner Certification Review Guide: Primary Care has been developed especially for Pediatric Nurse Practitioners and Family Nurse Practitioners preparing to take certification examinations and as a reference in the practice setting. The text is divided into systems with an in-depth coverage of growth and development and health promotion and maintenance. The common disorders of the various body systems provide succinct summaries of definitions, etiology, signs and symptoms, clinical findings, differential diagnoses, diagnostic tests/findings, and management/treatment. The final chapter addresses PNP role development, current trends and health policy issues including topics such as credentialing, legal issues, legislation, reimbursement and delivery systems. Following each chapter are test questions, which are intended to serve as an introduction to the testing arena. In addition a bibliography is included for those who need a more in-depth discussion of the subject matter in each chapter.

Yolanda Matlock:

Your reading sixth sense will not betray you actually, why because this Pediatric Nurse Practitioner Certification Review Guide: Primary Care e-book written by well-known writer we are excited for well how to make book that may be understand by anyone who else read the book. Written within good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still hesitation Pediatric Nurse Practitioner Certification Review Guide: Primary Care as good book not simply by the cover but also from the content. This is one reserve that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick that!? Oh come on your examining sixth sense already told you so why you have to listening to another sixth sense.

Nicole Williams:

Is it an individual who having spare time then spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Pediatric Nurse Practitioner Certification Review Guide: Primary Care can be the answer, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Emily Boyd:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Pediatric Nurse Practitioner Certification Review Guide: Primary Care can make you sense more interested to read.
