Kingdom Man Devotional is based on the principles and concepts presented in the book Kingdom Man. For the man who wants to be the leader that God has called him to be, this 90-day devotional will help him explore the scriptural mandate to exercise dominion and take responsibility over the various areas of his life. This devotional will challenge and encourage men to embrace their role of provider, protector, cultivator, champion, visionary, and leader, discipling them in the areas of responsibility and spiritual authority.

Kingdom Man Devotional challenges and equips men to fully understand their position under God and their position over what God has given them, while challenging them to initiate the practical implementation of leadership principles.
