## Where I'm Calling From: Selected Stories Raymond Carver

By the time of his early death in 1988, Raymond Carver had established himself as one of the great practitioners of the American short story, a writer who had not only found his own voice but imprinted it in the imaginations of thousands of readers. *Where I'm Calling From*, his last collection, encompasses classic stories from *Cathedral*, *What We Talk About When We Talk About Love*, and earlier Carver volumes, along with seven new works previously unpublished in book form. Together, these 37 stories give us a superb overview of Carver's life work and show us why he was so widely imitated but never equaled.
