Roman Philosophy and the Good Life

Raymond Angelo Belliotti

Roman Philosophy and the Good Life Raymond Angelo Belliotti

A practical people not prone to be lured to philosophical abstraction for its own sake, the Romans looked toward philosophy for guidance on how to live. Though wary of Greek philosophy, the Romans would come to see the need for philosophies such as Stoicism, Epicureanism, Platonism, and Aristotelianism to point the way to leading the good life. With the help of these philosophies, they attempted to grapple with some of most enduring concerns of the human condition: Who am I? How should I live my life? What, if anything, is my destiny? Raymond Angelo Belliotti's *Roman Philosophy and the Good Life* provides an accessible picture of these major philosophical influences in Rome and details the crucial role they played during times of major social upheaval. Belliotti demonstrates the contemporary relevance of some of the philosophical issues faced by the Romans, and offers ways in which today's society can learn from the Romans in our attempt to create meaningful lives. *Roman Philosophy and the Good Life* will certainly intrigue those who are drawn to Roman history and politics, and especially those who enjoy viewing philosophy in action.

From reader reviews:

Robert Frye:

What do you ponder on book? It is just for students because they're still students or the idea for all people in the world, the particular best subject for that? Simply you can be answered for that problem above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't want do that. You must know how great as well as important the book Roman Philosophy and the Good Life. All type of book are you able to see on many methods. You can look for the internet sources or other social media.

Whitney Mallard:

What do you in relation to book? It is not important with you? Or just adding material when you need something to explain what your own problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Roman Philosophy and the Good Life to read.

Alex Santana:

Precisely why? Because this Roman Philosophy and the Good Life is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I had been you I will go to the guide store hurriedly.

Denise Swann:

A lot of guide has printed but it differs. You can get it by online on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever through searching from it. It is referred to as of book Roman Philosophy and the Good Life. You can include your knowledge by it. Without departing the printed book, it might add your knowledge and make an individual happier to read. It is most crucial that, you must aware about book. It can bring you from one destination to other place.
