"But it ll be a long story," said the Dwarf.

"All the better," said Lucy. "We love stories. "

Douglas Wilson begins this series of meditations on C.S. Lewis *The Chronicles of Narnia* with the observation, "This is not intended to be an introduction to Narnia at all, but is rather more like a conversation between good friends about some other good friends, talking about what a good time we all had and why." Wilson highlights the practical themes of mature, Christian living that emerge from these classic tales nobility, confession, complete grace a joyful contrast to the thinness of modern life. A must for any Narnia fan, young or old.
