Wiccan-Were-Bear Series Volume One R E Butler

A Curve of Claw (Wiccan-Were-Bear #1) Natural born Wiccan Elizabeth Xavier likes her life just the way it is. She didn't expect to be asked to perform a binding ceremony in the local bear den and tie herself forever to a were-bear as a permanent guard. * * * * A Flash of Fang (Wiccan-Were-Bear #2) Bad dreams stalk Elizabeth and leave her with a sense of foreboding. When the fall mating heat comes upon her husbands, the only thing she can think of is how dangerous her life is. Ash and Axe reassure her that they will keep her safe, but her fears are only compounded by their earnestness. * * * * A Price for a Princess (Wiccan-Were-Bear #3) Daeton Stalking Horse steps into a realm full of unique creatures and danger she never knew existed in the safety of her bear den. In the midst of her travels, she finds love in the most unusual places with the most unexpected of men – the two from her recurring dreams. * * * * A Bond of Brothers (Wiccan-Were-Bear #4) Shaylee Tannia is a banished fairy with the powers of healing and nature. One wintry morning, she stumbles upon an injured and dying were-bear. Saving his life leads to a connection she didn't expect and the love kindled between them is hot enough to melt the snow. But all is not easy with their newfound love...a brother's claim threatens everything. * * * * A Bead of Blood (Wiccan-Were-Bear #5) Vampire Sabrina Chalice has spent the last few decades righting wrongs within the vampire community as a Hunter. When she stops a vampire-run, illegal were-animal fighting ring, she finds herself head over fangs for a were-bear named Griegs. * * * * *
