9/11-Enemies Foreign and Domestic proves beyond a reasonable doubt that the U.S. Government's conspiracy theory of the attacks on September 11, 2001, is a preposterous cover story. The evidence in 9/11-Enemies Foreign and Domestic has been suppressed from the official government reports and censored from the mass media. The evidence proves that powerful Zionists ordered the 9/11 attacks, which were perpetrated by Israel's Mossad, aided and abetted by treacherous high officials in the U.S. Government. 9/11-Enemies Foreign and Domestic identifies the traitors by name and details their subversive crimes. There is sufficient evidence in 9/11-Enemies Foreign and Domestic to indict important officials of the U.S. Government for high treason. The reader will understand how the U.S. Government really works and what Sir John Harrington (1561-1612) meant when he said: "Treason doth never prosper: what's the reason? Why if it prosper, none dare call it treason." There are millions of Americans who have taken an oath to defend the U.S. Constitution against all enemies foreign and domestic. The mass media, which is under the control of a disloyal cabal, keeps those patriotic Americans ignorant of the traitors among them. J. Edgar Hoover, former Director of the FBI, explained: "The individual is handicapped by coming face-to-face with a conspiracy so monstrous-he simply cannot believe it exists." 9/11-Enemies Foreign and Domestic erases any doubt about the existence of the monstrous conspiracy described by Hoover and arms the reader with the knowledge required to save our great nation. "My people are destroyed for lack of knowledge." Hosea 4:6.
