Thurgood Marshall changed American history by challenging it. In the first half of the twentieth century, African Americans were often treated as second-class citizens and subject to Jim Crow laws, which promoted both racism and segregation. This is the world that Marshall grew up in, and he became a lawyer to change it. As the head counsel for the National Association for the Advancement of Colored People (NAACP), he helped take the famous *Brown v. Board of Education* all the way to the U.S. Supreme Court. And in an outcome surprising even to him, the court unanimously ruled to end segregation in schools. Thurgood Marshall had become a hero.
