Workers Leaving the Studio.: Looking Away from Socialist Realism.

The Department of Eagles

Workers Leaving the Studio.: Looking Away from Socialist Realism. The Department of Eagles Workers Leaving the Studio catalogs the exhibition “Workers leaving the studio. Looking away from socialist realism,” curated by Mihnea Mircan in the National Gallery of Arts in Tirana, Albania in 2015. According to Mircan, “The [...] exhibition reflects on another projection machine, whose history and consequences, unlike cinema, are circumscribed by national boundaries, specific histories, and ideological configurations. The regime of production and representation of socialist realism radicalizes the violence that the creation of a new image does to its subject: it intensifies the fraught relation between refashioned representation and that which is represented. Its insistence on a particular, projective notion of reality is commensurate with the coercion of daily — cultural, social, emotional — life into a grid whose perspective lines and vanishing points carry heavy ideological charges. It enforces what it represents onto that which it represents, so that representation would replace reality.” Apart from a full documentation of the exhibition by photographer Marco Mazzi, the catalogue also features theoretical and art-historical contributions, both in English and in Albanian, on socialist realist art as developed in Albania under the communist regime, as well as texts highlighting contemporary attempts to display political realities through progressive artistic practices. Artists include: Santiago Sierra, Jonas Staal, Ciprian Muresan, Irwin, Sarah Vanagt, and Armando Lulaj, with scholarly contributions by — Artan Shabani, “Parathenie” // Mihnea Mircan, “Curatorial Note” // Raino Isto, “Sali Shijaku’s Zeri i Mases and the Metaphysics of Representation in Albanian Socialist Realist Painting” // Jonas Staal, “Stateless Democracy” // Suzana Varvarica Kuka, “Nje kohe e shkuar ne themel te kohes sone” // Inke Arns, “The Nigerian Connection: On NSK Passports as Escape and Entry Vehicles” // Sarah Vanagt & Tobias Hering, “Disturbed Earth” // Alban Hajdinaj, “Ilustrimi i instruksioneve ose Gjigandi dhe Shkurtabiqi” // Vincent W.J. van Gerven Oei, “The Production of Hronir: Albanian Socialist Realism and After”
