The essential interaction design guide, fully revised and updated for the mobile age

About Face: The Essentials of Interaction Design, Fourth Edition is the latest update to the book that shaped and evolved the landscape of interaction design. This comprehensive guide takes the worldwide shift to smartphones and tablets into account. New information includes discussions on mobile apps, touch interfaces, screen size considerations, and more. The new full-color interior and unique layout better illustrate modern design concepts.

The interaction design profession is blooming with the success of design-intensive companies, priming customers to expect "design" as a critical ingredient of marketplace success. Consumers have little tolerance for websites, apps, and devices that don't live up to their expectations, and the responding shift in business philosophy has become widespread. *About Face* is the book that brought interaction design out of the research labs and into the everyday lexicon, and the updated *Fourth Edition* continues to lead the way with ideas and methods relevant to today's design practitioners and developers.

Updated information includes:

- Contemporary interface, interaction, and product design methods
- Design for mobile platforms and consumer electronics
- State-of-the-art interface recommendations and up-to-date examples
- Updated Goal-Directed Design methodology

Designers and developers looking to remain relevant through the current shift in consumer technology habits will find *About Face* to be a comprehensive, essential resource.

Enrique Boggs:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this About Face: The Essentials of Interaction Design can make you feel more interested to read.
