**Iusnaturalismo Y Positivismo Jurídico (Spanish Edition)** Javier Dorado Porras

En este trabajo, el autor se centra en uno de los temas centrales de la filosofía jurídica a lo largo del siglo XX, el de la polémica entre el iusnaturalismo y el positivismo jurídico sobre el concepto de derecho. El punto de partida del trabajo es el intento de elaborar una definición de iusnaturalismo y de positivismo jurídico que permita observar en qué medida se trata de corrientes enfrentadas a la vez que elaborar una clasificación de las diferentes posiciones que dentro de cada una de estas corrientes puedan articularse. A partir de ahí, el trabajo se centra en una defensa de los argumentos en defensa del concepto positivista de derecho desde la revisión de los argumentos que han sido elaborados por los más importantes iusfilósofos positivistas del siglo XX, como Hans Kelsen, Herbert L. A. Hart, Alf Ross o Norberto Bobbio
