Literature on the Move (Internationale Forschungen zur Allgemeinen und Vergleichenden Literaturwissenschaft 68) Ottmar Ette

Literature on the Move formulates a new aesthetics for the altered conditions and challenges of the new century. The point of departure for examining a bordercrossing literature on the move is travel literature, from which the view opens up unto other spaces, dimensions and patterns of movement which will shape the literatures of the 21th Century. And these will become - one needs no prophetic gift to see - for a major part literatures with no fixed abode. Signposts of this journey through literature proposed by this book are texts by, among many others, Balzac, Barthes, Baudrillard, Borges, Calvino, Condé, Cohen, Diderot, Goethe, A.v. Humboldt, Kristeva, Reyes, Rodó or Stadler. This book will specially appeal to an audience interested by comparative literature, literary theory, and travel literature and will be of interest to anybody who delights in «literary journeys».
