Midnight Salvage: Poems 1995-1998 Adrienne Rich

"An impressive new volume. . . . Rich's admirers will recognize the complex symbiosis between the activist and the maker of new language, each propelling, describing, provoking the other's words."*Publishers Weekly*

"Look: with all my fear I'm here with you, trying what it means, to stand fast; what it means to move." In these astonishing new poems, Adrienne Rich dares to look and to extend her poetic language as witness to the treasures?the midnight salvage?we rescue from fear and fragmentation. Rich's work has long challenged social plausibilities built on violence and demoralizing power. In *Midnight Salvage*, she continues her explorations at the end of the century, trying, as she has said, "to face the terrible with hope, in language as complex as necessary, as communicative as possible?a poetics which can work as antidote to complacency, self-involvement, and despair. I have wanted to assume a theater of voices rather than the restricted I. To write for both readers I know exist and those I can only imagine, finding their own salvaged beauty as I have found mine." "In her vision of warning and her celebration of life, Adrienne Rich is the Blake of American letters."?Nadine Gordimer

Glen Hall:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Midnight Salvage: Poems 1995-1998 can make you sense more interested to read.
