The Magician's Assistant

Ann Patchett

The Magician's Assistant Ann Patchett

"A secretive magician's death becomes the catalyst for his partner's journey self-discovery in this "enchanting" book (*San Francisco Chronicle*) "that is something of a magic trick in itself" (*Newsweek*).

When Parsifal, a handsome and charming magician, dies suddenly, his widow Sabine—who was also his faithful assistant for twenty years—learns that the family he claimed to have lost in a tragic accident is very much alive and well. Sabine is left to unravel his secrets, and the journey she takes, from sunny Los Angeles to the bitter windswept plains of Nebraska, will work its own magic on her. Sabine's extraordinary tale, "with its big dreams, vast spaces, and disparate realities lying side by side" captures the hearts of its readers and "proves to be the perfect place for miraculous transformations" (*The New Yorker*). "

From reader reviews:

Ross Adams:

Often the book The Magician's Assistant will bring someone to the new experience of reading a new book. The author style to explain the idea is very unique. If you try to find new book to see, this book very suited to you. The book The Magician's Assistant is much recommended to you you just read. You can also get the e-book in the official web site, so you can quickly to read the book.

Pete Plaisance:

People live in this new time of lifestyle always make an effort to and must have the free time or they will get lots of stress from both way of life and work. So , if we ask do people have free time, we will say absolutely without a doubt. People is human not really a huge robot. Then we consult again, what kind of activity are there when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative in spending your spare time, often the book you have read will be The Magician's Assistant.

Jeffrey Bumgardner:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Magician's Assistant can make you truly feel more interested to read.

Susan Bannister:

Reading a publication make you to get more knowledge from this. You can take knowledge and information from the book. Book is composed or printed or outlined from each source in which filled update of news. Within this modern era like at this point, many ways to get information are available for you actually. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just seeking the The Magician's Assistant when you desired it?
