The Progress of Love Alice Munro

WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013

Alice Munro, who received the National Book Critics Circle Award for her latest collection of stories, **The Love of a Good Woman**, is widely acknowledged as a modern master of the short story. In this earlier collection, she demonstrates all of those strengths that have won her so many literary accolades.

A divorced woman returns to her childhood home where she confronts the memory of her parents' confounding yet deep bond. The accidental near-drowning of a child exposes the fragility of the trust between children and parents. A young man, remembering a terrifying childhood incident, wrestles with the responsibility he has always felt for his younger brother. In these and other stories Alice Munro proves once again a sensitive and compassionate chronicler of our times. Drawing us into the most intimate corners of ordinary lives, she reveals much about ourselves, our choices, and our experiences of love.
