## The Routledge Handbook of Linguistic Anthropology (Routledge Handbooks in Linguistics)

*The Routledge Handbook of Linguistic Anthropology* is a broad survey of linguistic anthropology, featuring contributions from prominent scholars in the field. Each chapter presents a brief historical summary of research in the field and discusses topics and issues of current concern to people doing research in linguistic anthropology. The handbook is organized into four parts – Language and Cultural Productions; Language Ideologies and Practices of Learning; Language and the Communication of Identities; and Language and Local/Global Power – and covers current topics of interest at the intersection of the two fields, while also contextualizing them within discussions of fieldwork practice. Featuring 30 contributions from leading scholars in the field, *The Routledge Handbook of Linguistic Anthropology* is an essential overview for students and researchers interested in understanding core concepts and key issues in linguistic anthropology.
