Open Season Linda Howard

Seamlessly blending heart-pounding romance and breathless intrigue, *New York Times* bestselling author Linda Howard writes a masterful, stylish, and provocative suspense novel that absolutely defies readers to put it down.

Daisy Minor is bored. Worse than that, she's boring. A plain, small-town librarian, she's got a wardrobe as sexy as a dictionary and hasn't been on a date in years. She's never even had a lukewarm love affair, let alone a hot one. So when she wakes up on her thirty-fourth birthday, still living with her widowed mom and spinster aunt, she decides it's time to get a life.

But can a lifelong good girl turn bad? No, not exactly.

But she can pretend, right?

One makeover later, Daisy has transformed herself into a party girl extraordinaire. She's letting her hair down, dancing the night away at clubs, and laughing and flirting with men for the first time in, well, ever. With a new lease on her own place and her life, it's open season for man-hunting.

But on her way home late one night, Daisy sees something she's not supposed to see. Suddenly the target of a killer, she's forced to put her manhunt on hold. But the very moment she stops looking might be the moment she finds what she's wanted all along. Trouble is, before he can share her life, he might just have to save it.

So , for all of you who want to start reading through as your good habit, you can pick Open Season become your own personal starter.

John Smithers:

You can spend your free time to learn this book this guide. This Open Season is simple to create you can read it in the area, in the beach, train as well as soon. If you did not get much space to bring often the printed book, you can buy the e-book. It is make you better to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Jessica Duncan:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Open Season can make you feel more interested to read.
