"After today, there will be no more construction crew rampaging through the house, no more rippling muscles and dripping sweat.

No more Paul and Dylan. This is it.

If something is going to happen, it has to happen tonight.

It has to happen now."

Sara's husband seems to be more interested in pleasing his clients than he is in pleasing her. So when not only one, but *two*, of the very large and handy construction workers currently renovating her house express an interest in her, Sara can't help but get swept up in dirty daydreams about what the three of them could get up to together.

When the renovations are complete, Sara has a brand new guest bedroom just begging to be broken in, and the two workers will be moving on to the next job unless Sara can give them a reason to stay just a little longer...

Will two men be too much for the voluptuous and neglected Sara?

And will the three of them have enough time to thoroughly find out before her husband gets home?

Out of Time is an erotic short and contains explicit erotic content intended for mature readers only.
