Inspired by medieval illuminated manuscripts and tapestries, these wonderful appliqués for quilts and cushions can be combined to create an array of kingly projects. The elegant choices include templates for an entire heraldic alphabet, along with gorgeous designs for lyre birds, dragons, gryphons, and many other real and imaginary beasts. Complete instructions on the appliqué method and patterns for numerous projects—like the Z Flower Quilt with its swirling blossoms, Bryce’s Quilt adorned with gold unicorns and a giant castle, and cushion covers—make this an indispensable sourcebook.
