Often times the people who come across as the strongest can be the weakest underneath it all.

Events happen in life that can awaken our truest and deepest desires. They also show us our greatest fears. Sometimes we are forced to face those fears, other times we build walls that can't be climbed or broken to protect ourselves.

A profound connection these two once shared, a strong friendship once formed is now shattered. Fate has stepped in and shaken both their worlds.

The danger, the wild, the chaos, and the lifestyle of the Hellions world has become far too much for Savannah 'Sass' Perchton. Swearing off bikers and attempting a 'normal life', she has settled. She pushes away her old life, her old self. She is trying to fit into a mold, to be everything she never was.

Things aren't always what they seem. Wrap an empty box in pretty paper, tie it off with a bow- it may look amazing, but it's still just a hollow shell.

He is a playboy. A different chick in his bed, off on a different ride, and always chasing something new. Frank 'Tank' Oleander, Haywood's Hellions Road Chief will give anything for his club, including his life.

Throttle down, ride it out.

The fast pace of the Hellions life catches up to him. At a crossroads he is forced to face some life changing thoughts or succumb to the darkness of death. Teetering on the brink of giving in, her voice is all he is holding onto. The coma he can't come out of is full of the memories he can't let go of. She's the light in the darkness.

She has left behind everything she has ever known chasing stability. His life literally hangs in the balance. Can she see beyond the chaos to the man behind the cut? Can he pull through?

Will they find their Forever Ride?
