Valuable Lessons To Be Learned Behind Michael Jackson's Inspirational Life Story

Michael Jackson - The Inspirational Life Story of Michael Jackson, King Of Pop And A True Legend That Lives On

His death was a tragedy no one saw coming. At the age of 50 years old, Michael Jackson was still at peak form. In fact, he was getting ready for a comeback concert before the news of his death shocked fans all over the globe. The date was June 25, 2009.

During his lifetime, Michael Jackson managed to achieve new heights as a singer, dancer, songwriter, producer and more. His fame encompassed the globe, endearing him to billions and earning him the title “King of Pop.” Today, years after his death, Michael Jackson remains an icon and a powerful influence, especially among the younger generation of musicians, artists, and fans.

His untold wealth and A-list status came with a price, however. Even as Michael Jackson earned award after award, his personal life became fodder for celebrity magazines, society pages, television, internet, and other forms of media. His life was practically an open book and the public all had a front row seat to his struggles, problems, missteps, failures, happiness, and disappointments.

Here is a preview of what you will learn in this book:

* The up's and down's in Michael Jackson's Life.

- * Young Michael Jackson and his childhood.
- * MJ as a Solo Artist.
- * MJ as the philanthropist.
- * Lawsuit, child abuse allegations.
- * Rumors about MJ and his plastic surgery.
- * The controversial death of Michael Jackson.
- * And much much more...

Comments from other readers

"There's so much information on Michael Jackson out there. It's hard to find really accurate, precise data, and not just vague fluff. That's what makes this book such a great finding. I'M GLAD I found it. From beginning to end, it presents the King of Pop's life in a way that intrigues the reader and makes him want to keep on reading. It's a quite refreshing experience. If you're a fan of Michael Jackson, or even if you just want to read something different, go ahead and grab a copy of this book. You won't regret it." - Ervin Evans (Orlando, USA)

"Before reading the book, I didn't know much about Michael's life and even my personal opinion about him as a person was completely different. But I learned a lot about the REAL Michael. A man with a big heart and love. His life was really a journey and it ended too soon. He could give us so much more. Thanks Gregory, the book really provoked some thoughts in myself about life and death and our contribution and legacy. Great work!" - Claire Roberts (Nashville-Davidson, USA)

"Wow this was a really interesting book. I love reading about famous personalities that I don't actually know much about, except stereotypes and iconic moments. It was really fascinating to read this story about his early music career and teenagehood. Michael Jackson is one of those misunderstood celebrities who people judge a lot, without knowing much of what goes on in the person's private life. This book helps to undo those

public judgments and prejudices about this very amazing person and monumental musician. I definitely recommend this book." - Annette Arnold (Buffalo, USA)
