When thirteen-year-old Lainey fails to come home from a night out with friends, her disappearance is dismissed by the Coral Springs Police Department as just another disillusioned South Florida teen running away from suburban drama and an unhappy home life. But Special Agent Bobby Dees, who heads up the department's difficult Crimes Against Children Squad (CAC), is not quite so sure. After a search of Lainey's computer and a frank talk with her best friend reveal the teen was involved in a secret Internet relationship, Bobby suspects Lainey may be the victim of an online predator. And when chilling evidence of other possible victims is sent to a local Miami television station, he fears she may not be the only one. Bobby will find himself pulled into a deadly game of cat-and-mouse with the most prolific killer he's ever encountered. But will he be able to save Lainey and the others before it's too late?
