“Oh god, Mr. Jonston, someone is watching.” It was hard to concentrate on the stranger watching us when all I wanted to do was close my eyes and enjoy what my boss was doing to me.

“So?” he asked.

Mindy joined the Sigma Eta Xi Sorority just looking for a good time, but when the head girl tasks each of the new recruits to find a "conquest" and dose him with a... love potion... she decides to get revenge on her obnoxiously beautiful boss, Trevor Jonston. But the results are not what she expected, and she's about to be shown just how bossy he can get.

Publisher's note: Mature audiences only. This is a steamy erotica romance with graphic language and sexually explicit scenes. This series follows the sorority sisters of Sigma Eta Xi in their search for an HEA. Each co-ed has a slightly different kink (spankings, anal play, BDSM?). These stories may contain M/F, M/F/M, F/M/F, M/M/F, and M/F/M/F couplings.

This is the second book in the Sisters of Sigma Eta Xi Series. They do not have to be read in order.
