The Clockwork Girl Joseph Robert Lewis

Zelda Pryce uses the arcane sciences to make gorgeous metal hands and legs that transform her clients into super-human athletes, rock stars, and crime fighters. But a series of mysterious events and violent crimes in Washington DC threatens to destroy her business and her new friends. In a harrowing race against time, Zelda uses her amazing devices and a little help from her super-human clients (and ex-boyfriend) to uncover a shocking corporate conspiracy and to save the life of an innocent teenager who could change the very definition of what it means to be human. Readers! Return to Zelda's world where geometers build magical devices, alchemists transmute the elements on a whim, and dowsers can find anything that's ever been lost... including a certain runaway girl.
