Three Men in a Boat

Jerome K. Jerome

Three Men in a Boat Jerome K. Jerome

Originally intended as a serious travel guide, then streamlined into an amusing account of a farcical boating excursion on the Thames river, *Three Men in a Boat* is Jerome K. Jerome's controversially "vulgar" take on English history and recreation. A mix of social satire and Victorian wit, this book of ramblings broaches a variety of unlikely subjects, including leisure, nostalgia, and friendship. Despite telling a story where everything goes wrong, this funny travelogue offers a vivid portrait of Victorian England the reader will not soon forget.
