## **Young, Black and Successful** Mr. Temitope T Adeyemo

This book explores the world of black people and their status in the world's social order. Black people are often the poorest, most impoverished and least achievers in the world. 9 out of 10 poorest countries in the world are African countries. Many black communities around the world share similar predicament as they have been identified with poverty, crime and destitution. The book further goes to look at critical periods- slavery and colonialism- in the history of the black race which have had significant impact on the race. By looking at what other races and countries have done to achieve greatness, the book suggests solutions to many problems facing the country. The book also identifies the role of young Africans and their abilities to face and solve the problems of the race.
