Saint Augustine

Expositions of the Psalms 73-98 (III/17) (Works of Saint Augustine) Saint Augustine

Fourth volume of the long-awaited translation of one of Augustines classics and a great work in Christian literature. Newly translated by Maria Boulding, O.S.B., whose masterful translation of Augustines *Confessions* in the same series has been praised as being of a different level of excellence from practically anything else in the market (Rowan Williams, Archbishop of Canterbury). As the psalms are a microcosm of the Old Testament, so the *Expositions of the Psalms* can be seen as a microcosm of Augustinian thought. They recapitulate and focus the experiences of Augustines personal life, his theological reflections, and his pastoral concerns as Bishop of Hippo.
