*For fundamentals of nursing courses in the nursing curriculum*

## **Help each student think like a nurse using a clear, consistent approach**

Consistency and accessibility are essential to student success in the Fundamentals of Nursing course. With its clear, approachable, writing style, *Kozier & Erb's Fundamentals of Nursing* sets the foundation for nursing excellence. Coverage of the key concepts of contemporary nursing, as well as the latest nursing evidence, standards, and competencies, helps prepare readers to become effective nurses. To help students develop their clinical-reasoning abilities, new QSEN features draw connections to actual nursing practice. All basic and fundamental skills for the registered nurse are described within the nursing process. Students will learn to think like nurses as they see how the material they are reading is applied in nursing practice.

## **Also available with MyNursingLab®**
