“The big secret in life is that there is no big secret. Whatever your goal, you can get there if you're willing to work.” - Oprah Winfrey

Hundreds, thousands, millions of people have lived before us and the legacy, the myth, the legend of their successes and their failures continue to live on long after they've gone. Even today, our own contemporaries are laying the groundwork for others to walk the road to success. We need only pay attention, we need only listen and watch what they have done and learn from their mistakes and victories. We do not have to step out into the darkness of the abyss to find success in our own lives when there are well-lighted paths that will take us most anywhere we'd want to go.

Motivational speakers, authors, talk show hosts, mega church preachers – the successes of Tony Robbins, Jack Canfield, Darren Hardy, Joyce Meyer, Les Brown, Brain Tracy, and Oprah Winfrey will be discussed within the book. These are people who have come from hardship and have risen to prosperity. They are people who have gone after their dreams and succeeded. People that, now they have found themselves in places of wealth and career success, have left behind them clues for the rest of us to follow in their footsteps.
