Out of My Bone: The Letters of Joy Davidman

Although best known as the wife of C. S. Lewis, Joy Davidman was an accomplished writer in her own right, with several published works to her credit. *Out of My Bone* tells Davidman's life story in her own words through her numerous letters -- most never published before -- and her autobiographical essay "The Longest Way Round."

Gathered and expertly introduced by Don W. King, these letters reveal Davidman's persistent search for truth, her curious, incisive mind, and her arresting, sharply penetrating voice. They chronicle her religious, philosophical, and intellectual journey from secular Judaism to atheism to Communism to Christianity. Her personal engagement with large issues offers key insights into the historical milieu of America in the 1930s and 1940s. Davidman also writes about the struggles of her earlier marriage to William Lindsay Gresham and of trying to reconcile her career goals with her life as mother of two sons. Most poignantly, perhaps, these letters expose Davidman's mental, emotional, and spiritual state as she confronted the cancer that eventually took her life in 1960 at age 45.

Moving and riveting, *Out of My Bone* reveals anew the singular woman whom Lewis deeply loved and who influenced his later writings, especially *Till We Have Faces*.
