Ideal for pre-service and in-service teachers, **POWERFUL SOCIAL STUDIES FOR ELEMENTARY STUDENTS** outlines ways to select content and teach history, geography, and social sciences more meaningfully. Hone skills in planning well-organized social studies instruction that produces positive student outcomes using developmentally appropriate content and methods to help your students develop social understanding and civic action. Rather than advocating the elimination of the traditional content framework used to organize the social studies curriculum ('expanding communities framework'), the authors call for retaining the most important topics that have traditionally been emphasized and for teaching these topics in 'more coherent and powerful ways.'
