This is not a typical quotes book. Every quote, proverb, story, and passage is a timeless gem that will uplift, enlighten, and provide spiritual growth and inspiration to the reader. Drawn from many centuries and generations, these words of wisdom come from sages and poets, teachers and visionaries, artists and philosophers, and many others that will feed the mind, sooth the heart, and provide a pathway towards enlightenment and spiritual growth. Unlike most quote books, the book is intentionally not indexed or categorized so that the reader can read any page, ponder and take away from each entry what he may from it. The book is full of wisdom and insight, powerful and spiritual, sometimes witty, but always meaningful. It simply feels like having a wise friend to go to for guidance, inspiration, and comfort.
